1. Principles of Distributed Computing (PODC)

2. International Symposium on Distributed Computing (DISC)

3. IEEE International Conference on Computer Vision (ICCV);

4. Computer Vision and Pattern Recognition (CVPR)

5. ACM SIGGRAPH

6. The International Symposium on Computer Architecture (ISCA)

7. Architectural Support for Programming Languages and Operating Systems (ASPLOS)

8. International Symposium on High Performance Computer Architecture (HPCA)

9. Intl Conf on Parallel Architectures and Compilation Techniques (PACT)

10. ACM SIGPLAN Conf. on Programming Language Design and Implementation (PLDI)

11. International Conference on Supercomputing (ICS)
